KASHO DEAL OF THE YEAR... Is Back!!

Purchase any new KASHO Millennium Series (KML), XP Series (KXP), or Damascus Series (KAD) shear at regular price, and receive a Green Series (KGR) of your choice... **FREE!!** Valued at \$990.00!!

:: Millennium Series :: (KML)

Available Right-Hand Models:

Offset: 5.5", 6.0", 6.5"
Straights: 5.3", 5.8", 6.2"

The smooth operation of these high mirror polished shear blades reduce cutting resistance to a minimum, which in turn reduces hand fatigue. The Millennium Series features a special ergonomic finger rest and is available in offset or straight designs.

KML 6.0 OS

:: KXP Series :: (KXP)

Available Right-Hand Models:

Offset: 5.5", 6.0", 6.5"

The new KASHO XP Series combines the excellent features of the acclaimed Green Series, with the unique Disc Operation System of the Millennium Series. Forged from the low wear VG-10 stainless steel alloy, the XP Series is characterised by its high durability and hardness. In the trend of ergonomically designed shears, the XP Series offers an ergonomically advanced straight design - "Semi-Semi" offset.

KXP 6.0 OS

Only \$1290.00 ea.* + Any Green Series (KGR) FREE!

*(Excludes Millennium DLC Model)

:: Damascus Series :: (KAD)

Available Right-Hand Models:

Offset: 6.0" and 6.5"

Combining old forge traditions with state of the art futuristic technology. The maximum sharpness, hardness and durability of the edges is achieved using the renowned wear resistance V10 stainless steel alloy. The Damascus steel is then carefully layered on top to produce the beautiful Damascus patterning. A unique 'flat screw' system with integrated ball bearing ensures a silky smooth operation. The Convex and hollow ground blades are finely mirror polished. The Kasho Damascus series represent the ultimate in hand finished sophistication.

KAD 6.5 OS

Only \$1490.00 ea.* + Any Green Series (KGR) FREE!

*(Excludes Damascus DLC Model)
